## Key things to look out for in optional cover

Our optional covers can give you protection for things not covered by our standard Home and Contents Insurance. Here are some of the optional covers that might be right for you.

### When accidents happen

This Home or Contents Insurance cover protects you for damage from insured events, but sometimes accidents happen. For example, red wine gets spilt on the carpet, fragile items break, or a hot pan burns your benchtop.

If you want cover for accidents like these, you'll need Accidental Damage cover.

→ [page 50](#)

### Things you take away from home

We take some of our contents with us away from home regularly, for example, handbags, sunglasses, and prams.

If you'd like to be covered for things you take away from home, you'll need Personal Effects cover.

→ [page 47](#)

If you have items worth more than \$1,000, you can ask for Specified Personal Effects cover.

→ [page 47](#)

### When floods happen

Flood is not automatically covered but you can apply for optional flood cover.

# Steps to take when you first receive this policy

Now is a good time to make sure this product is the right one for you. Make sure the information you've provided is correct, and keep your policy documents in a safe place.

1

## Make sure this policy covers what you need it to

We encourage you to read your policy documents carefully. The policy doesn't cover every event or situation, and this document will tell you what is and isn't covered. Understanding the conditions of your cover and the policy's General Exclusions will also help you make an informed decision → **page 58**.

### **You can cancel without charge within 21 days**

If you change your mind about taking out this policy, and you haven't made a claim, you can receive a full refund if you cancel the policy within 21 days of either:

- the date we issue you a new policy; or
- the date your policy renews.

This is known as your 'cooling-off period'. We count 21 days from the issue of the policy, even if this date is different from the start date.

## 2

### **Make sure the information you've given us is correct**

Tell us if we need to make any changes or corrections to the information you've given us. This is an important part of your duty of disclosure, which you can read more about on → [page 12](#).

## 3

### **Keep your policy documents and other documents in a safe place**

After reading the documents carefully, we recommend that you keep them in a safe place for future reference. It's also a good time to start collecting things that will be helpful if you need to make a claim, such as evidence of ownership and photographs of belongings. Keep them all together in a safe place so that you're well prepared at claim time.

## This PDS explains your cover that is stated on your Insurance Certificate

Under this agreement, we will give you protection for events described in this document that occur during the time you are insured with us. The type of cover you have and the period of insurance are stated on your Insurance Certificate.

An SPDS provides an update on information contained in this PDS.

### Joint policy holders and authorised people

If you have named more than one person as joint policy holders, each person gives authority to the other to change or cancel this policy. We only need a request from one person who is insured to change or cancel your policy.

We'll treat a statement, act, omission, claim, or request by any of the insured people as having been made by all insured people.

You may appoint someone to represent you as an authorised person, such as a family member. We will treat any statement, act, omission, claim or request from them as having been made by you. This authorised person will be able to manage your policy, including changing, amending, or cancelling this policy.

# Your obligations and the conditions of your cover

Here are the obligations and conditions you must meet as part of your contract with us.

One of your important obligations is to give us all the information that is needed under your contract with us. Giving us this information is called your 'duty of disclosure'. To understand what we need, and when, please carefully read the section below. The text in this section is required by law.

If you don't give us all the information that is required, you may lose your cover or your claim may be affected. If you have questions about your duty of disclosure, please ask your insurance advisor.

## Your duty of disclosure

Before you enter into an insurance contract, you have a duty of disclosure under the Insurance Contracts Act 1984 (Cth). This duty applies to you until we agree to insure you and, where relevant, until we agree to renew, extend, vary or reinstate your insurance contract.

### **When you first take out your insurance contract**

If we ask you questions that are relevant to our decision to insure you and on what terms, then you must tell us anything that you know and that a reasonable person in the circumstances would include in answering the questions.

### **When you renew your insurance with us**

On renewal of your policy we may again ask you questions that are relevant to our decision to insure you and on what terms. Again, you must tell us anything that you know and that a reasonable person in your circumstances would include in answering the questions.

Also, we may give you a copy of anything you have previously told us and ask you to tell us if it has changed. If we do this, you must tell us about any change or tell us that there is no change.

If you do not tell us about a change to something you have previously told us, we are entitled to act as if you have told us that there is no change.

### **When you vary, extend or reinstate your insurance**

When you vary, extend or reinstate your contract of insurance your duty of disclosure changes. You then have a duty to tell us anything you know, or could reasonably be expected to know, that may affect our decision to insure you and on what terms.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

### **If you do not tell us something**

If you do not tell us anything you are required to tell us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

### **Tell us if anything changes while you're insured with us**

While you're insured with us, you need to tell us if anything changes about your home or contents.

 If you don't tell us about changes, we may:

- refuse to pay a claim
- reduce the amount we pay
- cancel your contract
- not offer to renew your contract.

Examples of changes we want you to tell us about, are:

Your insured property or address for contents changes

You find out your home is heritage listed or has a heritage overlay

Paying guests stay in your home, for example, Airbnb, Homestayz

Your home is no longer in good condition

You are moving out and rent your home to tenants

You will start earning an income at your insured address

Any construction, alteration, or renovation work will start or finish

Security devices are removed, or broken

Your home will be demolished, by you or a government authority

You find out the building materials contain asbestos.

Your property will be unoccupied for more than 60 days, or is occupied by trespassers

## Give us all required information at claim time

You must provide us with honest and complete information, documentation and assistance necessary to process any claims, recover any costs, or take any legal action.

If we need to investigate a claim under your name, or in the name of any other person insured by this policy, you must give us all relevant information.

## Keep security devices well maintained and activated

If you've told us your home or contents are protected by security devices, you must:

- maintain the security devices in good working order
- activate the security devices and remove the keys from all locks at your home before leaving it unattended for any period.

## Tell us if your home will be unoccupied for more than 60 days

Tell us before you leave your home unoccupied for more than 60 consecutive days so we may continue to provide cover for your home and contents. You will need to agree to our conditions for the security and safekeeping of the home.

If we agree to cover your home during this time, we will tell you in writing. Additional excesses may apply. We may provide cover while the home is unoccupied for up to a maximum of 180 days.

-  All cover under the policy stops after 60 days of your home being unoccupied if you did not tell us it would be. This also applies if you do not comply with our conditions while the home is unoccupied.

## Keep your home, contents, and personal effects in good condition

If you're looking around the house and thinking 'I really should fix this or that', it's important to fix it now.

If you haven't fully fixed any faults or damage to your home or contents that you should have reasonably been aware of, damage from an insured event could be worse than if you had fixed it. This means that if your home is not in good condition at the time of the loss, it may affect your cover.

 Good condition means your insured home and contents have no defects or faults that pose a risk to what is covered under your policy. Good condition includes but is not limited to the home having:

No leaks, holes, damage, rust, or wood rot in the roof, gutters, windows, floors, fences, or other parts of your home

No damage from or infestation of termites, ants, vermin, or other creatures

A sound and solid structure with no damage to foundations, walls, steps, flooring, ceilings, gates, and fences

No broken or boarded-up windows.

## We respect your privacy

You want to know your information is in safe hands, and so we have safeguards in place to make sure we take your privacy seriously. We're here to help if you have any issues with our service. Visit our website to get a copy of our Privacy Policy.

# How to make a claim and what happens next

Here's what happens if you need to make a claim. You can call us or contact us online. You'll be taken through the process step by step.

Steps to making a claim with us.....	18
How we settle your claim .....	19
You will pay an excess on your claim .....	22

# Steps to making a claim with us

Read through the following steps carefully and become familiar with our claims process before you need it.

---

## What you need to do straight away

- Make sure you and your property are safe
  - Take care to prevent more loss, damage, or liability
  - Report theft or malicious damage to the police
  - Contact us as soon as possible on the claims phone number listed on your insurance documents
  - Tell us if you are covered by a similar insurance product.
- 

## Information and permissions you need to give us

- Show us evidence that you own the goods or property that you are claiming on and their value, if we ask for it
  - Ask us before arranging repairs or paying anyone to help, unless necessary to prevent further loss
  - Arrange a time for us to visit your property to assess or investigate the cause of the loss or damage
  - Let us inspect the damaged goods or property before you discard or repair anything
  - Send us documents, letters, and emails relating to your claim when we ask for them
  - Return any damaged or recovered property that we've paid a claim on, if requested
  - And do anything else we may require.
-

## **What if you are registered for GST and entitled to a tax credit?**

If you are registered for GST and entitled to claim an Input Tax Credit (ITC) on your premium, you need to give us this ITC entitlement each time you make a claim. A full GST entitlement would be a 100% ITC entitlement. If you give us incorrect GST information, we will not be responsible for the GST that you might owe.

A claim payment made for a total loss will be reduced by GST to the extent of your ITC entitlement, if applicable. Other claim payments may also have your ITC entitlement taken into account.

Any claim payment made where GST is deducted as described above will be considered to be made in full.

## **How we settle your claim**

If we agree to pay a claim for loss, theft, or damage to your home, contents, or personal effects, we will pay up to the limits stated in your policy documents.

Following discussion with you, we will choose to do one of three things:

- repair the damaged property to the same standard, specification, or quality as it was when it was new
- replace the damaged property where available, or with the nearest equivalent property available in Australia
- pay you the reasonable amount it would cost to repair or replace the property.

We are allowed to choose the repairer or supplier that is used and may enter into building contracts with them on your behalf. If we choose to repair or rebuild your property, we will ensure the repaired or rebuilt parts of your home comply with current building regulations and laws.

When it is not possible to repair or rebuild your property with original materials, we will use the nearest equivalent materials available in Australia.

## We may represent you

We may take over and arrange the defence or settlement of any claim for you or anyone covered by your policy. This includes if there is an inquest, inquiry, or criminal proceeding. We will decide how to conduct a defence or settle a claim.

## Recovery action

When someone else is responsible for the loss or damage to your property, we may recover from the responsible party. In that case, you agree that we may recover any part of the loss, including any losses not covered by your policy. We may do this using your name, without your consent, and whether or not you have a right to be fully compensated for your loss.

## ✔ What we will pay for

The most we will pay for any claim for your home, contents, or personal effects is stated in your policy documents.

If we pay for additional benefits as part of your claim, the most we will pay is stated in Additional Benefits for Home and Contents on → **pages 40–45**.

We will only pay to repair or rebuild the parts of your home or contents items that are damaged or destroyed. You cannot claim to replace undamaged parts of your home or contents, except as otherwise specified in your policy documents.

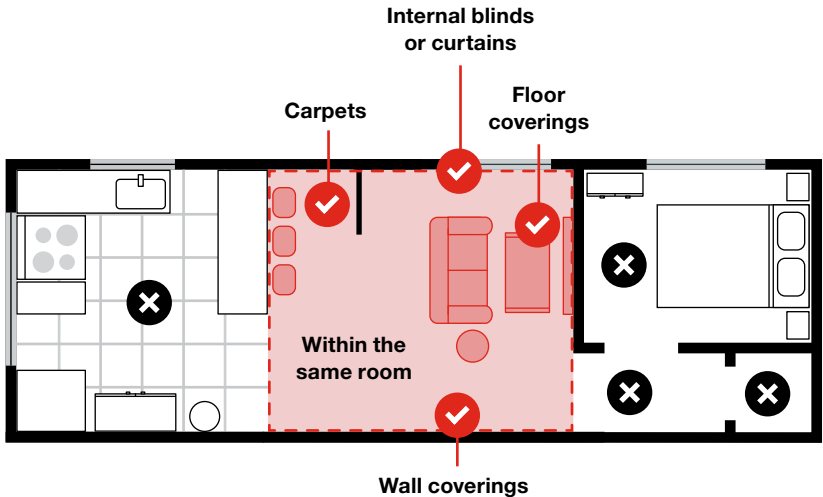

## Cupboards, cabinets or benchtops

We will pay to repair or replace the damaged parts of kitchen cupboards, cabinets and benchtops. We will pay to repair or replace undamaged parts if they are continuously joined to the damaged part and made of the same material.

## Internal blinds or curtains, carpets, other floor coverings, or wall coverings

We will pay to repair or replace internal blinds or curtains, carpets, other floor coverings, or wall coverings, but only in the same room, hallway or passageway where the loss or damage occurred. We consider the same room as the area starting and finishing at the nearest walls, doorway, archway, or other opening.

### Items that are part of a set

When an item is part of a pair, set, system or collection, we will only pay for repair or replacement of the item that has been lost or damaged. The most we will pay is the value that the item has as a proportion of the combined pair, set, system or collection.

### ✘ What we won't pay for

We won't pay:

- to repair or rebuild undamaged property in order to achieve a match with repaired or replaced property
- any additional costs to replace materials that are not damaged
- for any decrease in the value of any pair, set, system, or collection.

## If we've agreed to pay your claim as a total loss

If your home or contents or personal effects suffer loss or damage and we have agreed to pay your claim as a total loss, then:

- we will pay you an amount equal to the replacement value of the property lost, stolen or destroyed, or the sum insured in your policy documents, whichever amount is lowest
- you will pay the excess and any remaining premium instalments for the full period of insurance, and we will not refund any premium.

Your cover ends for the home, contents, or personal effects we paid for as a total loss, but any other cover you have with us continues. You can choose to take out a new policy to cover the home, contents, or personal effects that you buy to replace what you've lost.

## You will pay an excess on your claim

- ! An excess is the amount you must pay when you make a claim. You will pay an excess amount for each incident that results in loss or damage to your home and contents. This may include additional excesses depending on the claim. The excesses that may apply are stated on your Insurance Certificate.

If your claim is for loss or damage to both your home and contents from one incident at one insured address, you will pay the higher of the basic excesses you selected, plus any other applicable excess.

We will tell you whether to pay the excess to a repairer or supplier, directly to us, or whether we will deduct the excess from the amount we pay you.

## Legal liability cover if you have Home Insurance

If you have Home Insurance, we will cover your legal liability as owner or owner-occupier of your home for death or physical injury to other people, or for loss or damage to other people's property caused by an accident. Your contents might be in a house, residential flat, unit, townhouse, apartment, or villa that you own, but that also has a body corporate which has legal liability cover for death, injury, or damage to property. If so, we will cover you to the extent that your legal liability as owner or owner-occupier is not covered by the body corporate's legal liability cover. The accident must occur during the term of your insurance, and at the home, or the common areas next to your home.

# Your sum insured, premiums, renewals, and cancelling

Here are the nuts and bolts of your policy: the amounts you're covered for, how premiums work, what happens at renewal time, and how your policy can be cancelled.

We will pay up to your maximum sum insured .....	65
Paying your premium .....	66
Renewing the policy.....	67
Cancelling the policy.....	68

# We will pay up to your maximum sum insured

You decide and tell us an amount that is enough to rebuild, repair, or replace your damaged home or your contents. This sum will be stated on your Insurance Certificate and is known as your 'sum insured'. You can use our online calculators to help you establish a sum insured.

For your home, a professional valuer or building contractor can help you decide the cost of rebuilding your home. You should consider:

- any improvements you have made to the home that may add to the costs of rebuilding
- any additional costs associated with rebuilding, such as site works and access restrictions.

For your contents, a dealer or professional valuer can help you calculate the value of items such as jewellery, collections, and art works. Keep your valuations and receipts in a safe place in case we need them to process a claim.

## Your sum insured will increase each year

Each year, we will automatically increase the sum insured that is stated on your Insurance Certificate for both your home and contents. We allow for an increase of costs and use industry cost guides as a reference.

For your contents, we do not automatically increase the sums insured for specified contents items, or personal effects items. Review the value of these items regularly to make sure they are sufficiently insured for the cost of replacement.

## You can ask us to adjust your sum insured

You can ask us to adjust the sum insured at any time. If we agree, the change that you request may mean that your premium changes.

Review your sum insured for home, contents, specified contents, and personal effects regularly. You are still responsible for checking the sum insured at each renewal, even though we automatically adjust this value. If you have not nominated the correct sum insured, you could be underinsured if you suffer a total loss and we accept your claim.

# Paying your premium

We will give you information about when payment is due. You must pay the premium by the due date to have this insurance cover. The total payable includes government charges.

## You can pay yearly or by instalments

You can pay once a year, or by instalments. If you choose to pay by instalments, the total premium may be higher and fees will apply. We will tell you what the total yearly and instalment amounts are, so you will know the difference.

The following fees apply:

- Monthly instalment processing fee — 12 payments each year of 66 cents per \$100 of premium or part of \$100
- Fortnightly instalment processing fee — 26 payments each year of 31 cents per \$100 of premium or part of \$100.

## You need to pay your premium on time to stay covered

If an instalment payment is overdue by 14 days or more, we can refuse to pay a claim.

If an instalment payment is overdue by one month or more, we will cancel your policy automatically without notice.

You may not be covered for any claim that occurs after the expiry date for policies that renew after 12 months if you do not pay your premium by the expiry date.

## How we calculate your premium

The premium we quote is the amount you must pay for this insurance. The premium takes into account factors such as:

- all relevant government charges, taxes, and levies
- any optional covers you choose
- any previous claims
- people who live in your home
- the amount of your excess
- the location and characteristics of your home
- the security features you have
- your nominated sum insured.

We may change these or other factors at any time, and this might affect your premium. The premium we quote for insurance is at our discretion.

# Renewing the policy

We may offer to renew your policy. If we do, we will let you know in writing at least 14 days before the expiry date that is stated on your Insurance Certificate. We will tell you about any changes to the terms of your policy.

If we do not offer to renew your policy, we will send you a notice in writing.

## Your premium might increase on renewal

The offer of renewal will show your new sum insured and the premium and excess for the new period. Your new premium may be higher than what you paid for your previous policy.

### **Tell us if any information in our offer of renewal is incorrect**

If you receive an offer of renewal, you must tell us if any information is incorrect or incomplete. If you don't tell us, we may reduce the amount we will pay, or refuse to pay a claim. This is part of your duty of disclosure.

### **We will use your existing payment information to pay for your new policy**

If you accept our offer of renewal and have an automatic payment arrangement with us, we will charge the renewal premium to your account or credit card. You can change how you pay your premium by contacting us.

### **Tell us if you don't want to renew your policy**

If you have an automatic payment arrangement with us, you must tell us if you don't want to accept our offer of renewal before the expiry date on your Insurance Certificate.

# Cancelling the policy

You may cancel the policy at any time.

If you decide to cancel this policy:

- within 21 days of the issue or renewal date and you haven't made a claim (during the cooling-off period), you will receive a full refund of the premium you have paid
- in other circumstances (unless you have made a total loss claim) we will refund you for the premium that would have covered you after the cancellation date. We may charge an early cancellation fee of \$40.00 (GST inclusive).

If you have made a total loss claim, we will not refund you any premium. Refer to "If we've agreed to pay your claim as a total loss" on → **page 22**.

## **We can cancel the policy if you don't meet your conditions of cover**

We can cancel your policy when permitted by law, including if you don't meet your conditions of cover. We will send you a notice of cancellation to your last known address. We may refund what is left of the premium you've paid. If we cancel your policy because you intended to deceive us, we consider this to be fraudulent and we may not refund any money to you.
