# Duty Of Disclosure

## Your Duty of Disclosure

Before you enter into a life insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you extend, vary or reinstate the contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

## If you do not tell us something

In exercising the following rights, we may consider whether different types of cover can constitute separate contracts of life insurance. If they do, we may apply the following rights separately to each type of cover.

If you do not tell us anything you are required to, and we would not have insured you if you had told us, we may avoid the contract within 3 years of entering into it.

If we choose not to avoid the contract, we may, at any time, reduce the amount you have been insured for. This would be worked out using a formula that takes into account the premium that would have been payable if you had told us everything you should have. However, if the contract has a surrender value, or provides cover on death, we may only exercise this right within 3 years of entering into the contract.

If we choose not to avoid the contract or reduce the amount you have been insured for, we may, at any time vary the contract in a way that places us in the same position we would have been in if you had told us everything you should have. However, this right does not apply if the contract has a surrender value or provides cover on death.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

# Ozicare Life Insurance - Life Cover

## 1. What benefit is provided by Ozicare Life Cover?

Ozicare Life Cover is available on a stand-alone basis and provides a lump sum benefit should the Life Insured under the Policy die or be diagnosed with a Terminal Illness that results in a life expectancy of less than 12 months. You may take out Ozicare Life Cover without purchasing any of the other covers outlined in this PDS. You may also take Ozicare Life Cover in addition to Ozicare Accidental Death Insurance. When you take out Ozicare Life Cover, you can also apply for Ozicare Total & Permanent Disability (TPD) Cover, Ozicare Trauma Cover, Ozicare Trauma Plus Cover, and Ozicare Children's Cover.

## 2. Are you eligible to apply for Ozicare Life Cover?

You must be an Australian Resident, aged between 18 and 64 years of age (next birthday) at the time of application.

We reserve the right to accept or decline applications for Ozicare Life Cover in our absolute discretion.

## 3. How much does Ozicare Life Cover cost?

Premiums are calculated at each Policy Anniversary and are based on:

- the age of the Life Insured at that time;
- the Life Benefit Amount provided for the Life Insured; and
- various factors which may affect the premium rating for the Life Insured at the time of insurance application such as gender, smoking status, state of health, family history, occupation, and participation in hazardous activities.

For a premium estimate you should contact Customer Services on **1800 421 034** or visit [www.ozicare.com.au/life-insurance](http://www.ozicare.com.au/life-insurance)

## 4. How much Ozicare Life Cover can you apply for?

The minimum Life Cover Benefit Amount is \$50,000. The maximum Life Cover Benefit Amount you can apply for in relation to the Life Insured under the Policy depends on the Life Insured's age at the Commencement Date:

Age (next birthday) at Commencement Date	Maximum Benefit Amount
18 – 44	\$1,000,000
45 – 54	\$750,000
55 – 59	\$500,000
60 – 64	\$300,000

If you apply to increase the Life Cover Benefit Amount, the Life Insured's current age at the time of the application for the increase will be used to determine the maximum Life Cover Benefit Amount (rather than the Life Insured's age at the original Commencement Date when the Policy first started).

### 5. When will the Ozicare Life Cover benefit be paid?

We will pay the Ozicare Life Cover Benefit Amount as a lump sum if the Life Insured suffers an insured event, namely death or Terminal Illness, while covered under the Policy except in the circumstances explained in “Do exclusions apply to Ozicare Life Cover?” in point 8 following.

### 6. What is the advanced funeral benefit?

While assessing your claim, we may advance \$7,500 of the Ozicare Life Cover Benefit Amount to assist with funeral costs and other expenses without waiting for full claim proofs for a death that is not the result of a self-inflicted injury. However, we must have satisfactory evidence of the Life Insured’s age and death.

### 7. Do limits apply to Ozicare Life Cover?

The total benefits payable for the Life Insured under the Policy cannot exceed:

- the maximum Benefit Amount for Ozicare Life Cover for the Life Insured’s age at the Commencement Date, plus
- any automatic inflation protection increases under the Policy.

If you apply to increase the Life Cover Benefit Amount, the Life Insured’s current age at the time of the application for the increase will be used to determine the maximum Life Cover Benefit Amount (rather than the Life Insured’s age at the original Commencement Date when the Policy first started).

If the Life Insured is covered under more than one Ozicare Life Insurance Policy for Ozicare Life Cover, we will apply this limit to the total of the Life Cover Benefit Amounts payable for the Life Insured under all Ozicare Life Insurance Policies. Any reduction in the Life Cover Benefit Amount will be applied to the Ozicare Life Cover most recently commenced and we will refund the premiums paid on the amount that exceeded the maximum limit.

Only one Ozicare Life Cover Benefit Amount is payable in respect of the Life Insured. The Ozicare Life Cover Benefit Amount will be reduced by the amount of any advance funeral benefit payment of the Ozicare Life Cover Benefit Amount. The Ozicare Life Cover Benefit Amount will also be reduced by the amount of any Ozicare Total & Permanent Disability (TPD) Cover, Ozicare Trauma Cover or Ozicare Trauma Plus Cover Benefit Amounts paid in respect of that Life Insured. A Benefit Amount paid under an Ozicare Life Insurance Policy is made in addition to any Ozicare Accidental Death Insurance Benefit Amount payable under your Ozicare Accidental Death Insurance Policy (if applicable).

### 8. Do exclusions apply to Ozicare Life Cover?

We will not pay an Ozicare Life Cover Benefit Amount in respect of the Life Insured, if the Life Insured dies, or has a Terminal Illness, directly or indirectly as a result of a self-inflicted injury, within 13 months of:

- the Commencement Date; or
- the date that any non-automatic increase in cover starts (but only in respect of the increase); or
- where we have agreed to reinstate the Policy after it was cancelled, the date on which we reinstate the Policy (reinstatement date).

We will not pay any Life Cover Benefit Amounts where we have agreed a special term with you in respect of your cover that specifically excludes the event or condition leading to the claim. Any such Policy term will be agreed with you before your Policy is issued and will appear on your Policy Schedule.

## 9. When does Ozicare Life Cover start and end?

Cover under Ozicare Life Cover does not start until your application is accepted. If successful, we will send you a Policy Schedule setting out the Commencement Date when cover starts for the Life Insured. While your application is being processed we will provide interim Accidental Death cover at no extra cost (as explained below). Your duty of disclosure (see Duty Of Disclosure on page 3) continues to apply while we assess your application. We guarantee to renew your Ozicare Life Cover (provided you pay your premiums when due) until it ends.

Ozicare Life Cover ends for the Life Insured when the first of the following occurs:

- the date of payment of a death or Terminal Illness claim for the Life Insured; or
- the date the Ozicare Life Cover Benefit Amount is reduced to nil as a result of payment(s) of a TPD, Trauma or Trauma Plus claim for the Life Insured; or
- the date you cancel the Policy; or
- the date we cancel the Policy (where permitted by law); or
- the date the Life Insured ceases to reside in Australia (if on a temporary work visa); or
- the Policy Anniversary after the Life Insured's 100th birthday.

## 10. What is interim Accidental Death Cover?

While your application for Ozicare Life Cover is being assessed, we will provide you with interim Ozicare Accidental Death Insurance for the Ozicare Life Cover Benefit Amount you apply for at no extra cost to you. This means you will have cover for Accidental Death while your application is being assessed subject to the terms, conditions and exclusions that apply to Ozicare Accidental Death Insurance (please refer to the Ozicare Accidental Death Insurance part of this PDS). The interim Ozicare Accidental Death Insurance cover will start when we receive your application for Ozicare Life Cover and will cease on the earliest of the following events:

- the date your application is accepted, declined or withdrawn; or
- the date we advise you your interim cover is cancelled; or
- 30 days from the date your interim cover begins.

If you apply for both Ozicare Life Cover and Ozicare Accidental Death Insurance, any interim Ozicare Accidental Death Insurance provided while your Ozicare Life Cover application is being processed will be in addition to the Ozicare Accidental Death Insurance Benefit Amount you have applied for.

## 11. What is included in Ozicare Life Insurance?

If your application is accepted by us, we will issue you a Policy Schedule. Your Ozicare Life Insurance Policy consists of the Policy Schedule and:

- this PDS (which includes the terms and conditions applying under your Policy);
- the Personal Statement (which includes personal details, including your answers to medical and lifestyle questions and your Declaration that the statements are true and correct); and
- the Payment Schedule (which outlines your selected premium payment frequency and method).

You should keep your Ozicare Life Insurance Policy and Policy Schedule in a safe place, as you will need to produce these in the event of a claim being lodged for the Life Insured. Ozicare Life Insurance is written out of the Hannover Australian statutory fund.

## Ozicare Life Insurance - Total & Permanent Disability (TPD) Cover

Ozicare TPD Cover is only available with Ozicare Life Cover. You must specifically apply for this cover. If accepted, your cover will be included on your Policy Schedule.

### 1. What benefit is provided by Ozicare TPD Cover?

Ozicare TPD Cover provides a lump sum benefit should the Life Insured under the policy suffer Total and Permanent Disability while covered under the Policy and meet the assessment criteria.

Total and Permanent Disability (TPD) means as a result of sickness or injury, the Life Insured:

- suffers Loss of Use of Limbs and /or Sight; or
- is Unable to Work; or
- suffers Loss of Independent Existence.

Please see the Definitions on page 25 for details of these specific conditions.

The Total and Permanent Disability must be certified by a Medical Practitioner approved by us and supported with the necessary test results to confirm the diagnosis.

### 2. Are you eligible to apply for Ozicare TPD Cover?

You must be an Australian Resident, aged between 18 and 59 years of age (next birthday) at the time of application. We reserve the right to accept or decline applications for Ozicare TPD Cover in our absolute discretion.

### 3. How much does Ozicare TPD Cover cost?

Premiums are calculated at each Policy Anniversary and are based on:

- the age of the Life Insured at that time;
- the TPD Benefit Amount provided for the Life Insured; and
- various factors which may affect the premium rating for the Life Insured at the time of insurance application such as gender, smoking status, state of health, family history, occupation, and participation in hazardous activities.

Your first premium will be due on the First Premium Date shown in your Policy Schedule. For a premium estimate you should contact Customer Services on **1800 421 034** or visit [www.ozicare.com.au/life-insurance](http://www.ozicare.com.au/life-insurance)

#### 4. How much Ozicare TPD Cover can you apply for?

The minimum TPD Benefit Amount is \$50,000. The maximum TPD Benefit Amount you can apply for in relation to the Life Insured under the Policy depends on the Life Insured's age at the Commencement Date:

Age (next birthday) at Commencement Date	Maximum Benefit Amount
18 – 44	\$1,000,000
45 – 54	\$750,000
55 – 59	\$500,000

The Maximum TPD Benefit Amount cannot exceed the Ozicare Life Cover Benefit Amount.

If you apply to increase the TPD Benefit Amount, the Life Insured's current age at the time of the application for the increase will be used to determine the maximum TPD Benefit Amount (rather than the Life Insured's age at the original Commencement Date when the Policy first started).

#### 5. When will the Ozicare TPD Cover benefit be paid?

We will pay the Ozicare TPD Cover Benefit Amount as a lump sum if the Life Insured suffers an insured event, namely Total and Permanent Disability while covered under the Policy except in the circumstances explained in "Do exclusions apply to Ozicare TPD Cover?" on page 12.

#### 6. Do limits apply to Ozicare TPD Cover?

The total benefits payable for a Life Insured under the policy cannot exceed:

- the maximum TPD Benefit Amount for Ozicare TPD Cover for the Life Insured's age at the Commencement Date, plus
- any automatic inflation protection increases under the Policy.

If you apply to increase the TPD Benefit Amount, the Life Insured's current age at the time of the application for the increase will be used to determine the maximum TPD Benefit Amount (rather than the Life Insured's age at the original Commencement Date when the Policy first started).

If the Life Insured is covered under more than one Ozicare Life Insurance Policy for Ozicare TPD Cover, we will apply this limit to the total of the TPD Benefit Amounts payable for the Life Insured under all Ozicare Life Insurance Policies.

Any reduction in the TPD Benefit Amount will be applied to the Ozicare TPD Cover most recently commenced and we will refund the premiums paid on the amount that exceeded the maximum limit. Only one Ozicare TPD Cover Benefit Amount is payable in respect of the Life Insured.

Where an Ozicare TPD Cover Benefit Amount is paid, we will reduce the Ozicare Life Cover and any Ozicare Trauma or Trauma Plus Cover Benefit Amount by the TPD Cover Benefit Amount in respect of that Life Insured.

If we reduce the Ozicare Life Cover Benefit Amount and/or Trauma or Trauma Plus Cover Benefit Amount, we will reduce your premium accordingly.

### **7. Do exclusions apply to Ozicare TPD Cover?**

We will not pay the Ozicare TPD Cover Benefit Amount if the Life Insured suffers a Total and Permanent Disability which is a result, directly or indirectly, of an injury caused or accelerated by an intentional act performed by the Life Insured.

Any such Policy term will be agreed with you before your Policy is issued and will appear on your Policy Schedule.

### 3. Are you eligible to apply for Ozicare Trauma Cover or Ozicare Trauma Plus Cover?

You must be an Australian Resident, aged between 18 and 59 years of age (next birthday) at the time of application. We reserve the right to accept or decline applications for Ozicare Trauma Cover and Ozicare Trauma Plus Cover in our absolute discretion.

### 4. How much does Ozicare Trauma Cover and Ozicare Trauma Plus Cover cost?

Premiums are calculated at each Policy Anniversary and are based on:

- whether you apply for Ozicare Trauma Cover or Ozicare Trauma Plus Cover;
- the age of the Life Insured at that time;
- the Trauma Cover or Trauma Plus Cover Benefit Amount provided for the Life Insured; and
- various factors which may affect the premium rating for the Life Insured at the time of insurance application such as gender, smoking status, state of health, family history, occupation, and participation in hazardous activities.

Your first premium will be due on the First Premium Date shown in your Policy Schedule.

For a premium estimate you should contact Customer Services on **1800 421 034** or visit [www.ozicare.com.au/life-insurance](http://www.ozicare.com.au/life-insurance)

### 5. How much Ozicare Trauma or Ozicare Trauma Plus Cover can you apply for?

The minimum Trauma Cover or Trauma Plus Cover Benefit Amount is \$25,000. The maximum Trauma Cover or Trauma Plus Cover Benefit Amount you can apply for in relation to the Life Insured under the Policy depends on the Life Insured's age at the Commencement Date and is the lower of 50% of the Ozicare Life Cover Benefit Amount and the maximum Trauma Cover or Trauma Plus Cover Benefit Amount specified below:

Age (next birthday) at Commencement Date	Maximum Trauma Cover or Trauma Plus Cover Benefit Amount is the lower of 50% of the Ozicare Life Cover Benefit Amount and:
18 – 44	\$500,000
45 – 54	\$375,000
55 – 59	\$250,000

If you apply to increase the Trauma Cover or Trauma Plus Cover Benefit Amount, the Life Insured's current age at the time of the application for the increase will be used to determine the maximum Trauma Cover or Trauma Plus Cover Benefit Amount (rather than the Life Insured's age at the original Commencement Date when the Policy first started).

## **6. When will the Ozicare Trauma Cover or Ozicare Trauma Plus Cover benefit be paid?**

We will pay the Ozicare Trauma Cover or Ozicare Trauma Plus Cover Benefit Amount as a lump sum if the Life Insured suffers one of the specified Trauma Events covered under the Policy (see page 13 for Trauma Events) except in the circumstances explained in “Do exclusions apply to Ozicare Trauma Cover and Ozicare Trauma Plus Cover?” in point 8 following.

## **7. Do limits apply to Ozicare Trauma Cover and Ozicare Trauma Plus Cover?**

The total benefits payable for a Life Insured under the policy cannot exceed:

- the maximum Benefit Amount for Ozicare Trauma Cover or Ozicare Trauma Plus Cover for the Life Insured’s age at the Commencement Date, plus
- any automatic inflation protection increases under the Policy.

If you apply to increase the Trauma Cover or Trauma Plus Cover Benefit Amount, the Life Insured’s current age at the time of the application for the increase will be used to determine the maximum Trauma Cover or Trauma Plus Cover Benefit Amount (rather than the Life Insured’s age at the original Commencement Date when the Policy first started).

If the Life Insured is covered under more than one Ozicare Life Insurance Policy for Ozicare Trauma Cover or Ozicare Trauma Plus Cover, we will apply this limit to the total of the Trauma Cover or Trauma Plus Cover Benefit Amounts payable for the Life Insured under all Ozicare Life Insurance Policies.

Any reduction in the Trauma Cover or Trauma Plus Cover Benefit Amount will be applied to the Ozicare Trauma Cover or Ozicare Trauma Plus Cover most recently commenced and we will refund the premiums paid on the amount that exceeded the maximum limit.

Only one Ozicare Trauma Cover or Ozicare Trauma Plus Cover Benefit Amount is payable in respect of the Life Insured.

Where an Ozicare Trauma Cover or Ozicare Trauma Plus Cover Benefit Amount is paid, we will reduce the Ozicare Life Cover and any Ozicare TPD Cover Benefit Amount by the Ozicare Trauma Cover or Ozicare Trauma Plus Cover Benefit Amount in respect of that Life Insured.

If we reduce the Ozicare Life Cover Benefit Amount and/or TPD Cover Benefit Amount, we will reduce your premium accordingly.

## **8. Do exclusions apply to Ozicare Trauma Cover and Ozicare Trauma Plus Cover?**

We will not pay the Ozicare Trauma Cover or Ozicare Trauma Plus Cover Benefit Amount:

- if the event that gave rise to the claim was directly or indirectly caused by an intentional act performed by the Life Insured
- if the condition resulting in a claim first became apparent, or the Trauma Event occurred, during the Qualifying Period (see “When does your Ozicare Trauma Cover or Ozicare Trauma Plus Cover start and end?” in point 9, following).

We will not pay any Trauma Cover or Trauma Plus Cover Benefit Amounts where we have agreed a special term with you in respect of your cover that specifically excludes the event or condition leading to the claim. Any such Policy term will be agreed with you before your Policy is issued and will appear on your Policy Schedule.

### 9. When does Ozicare Trauma Cover or Ozicare Trauma Plus Cover start and end?

Ozicare Trauma Cover and Ozicare Trauma Plus Cover do not start until your application is accepted and the 90 day Qualifying Period expires. If successful, we will send you a Policy Schedule setting out the Commencement Date when cover starts for the Life Insured.

The Trauma Events are subject to a 90 day Qualifying Period from:

- the date of commencement of the trauma cover;
- the date of any non-indexation increase in cover (but only in respect of the increase); and
- the date of any reinstatement.

This means that no Trauma Cover or Trauma Plus Cover Benefit Amount is payable if the condition resulting in a claim first became apparent, or the Trauma Event occurred, during the Qualifying Period.

We guarantee to renew your Ozicare Trauma Cover or Ozicare Trauma Plus Cover (provided you pay your premiums when due) until it ends.

## General Information

### 1. Is there a 30-day cooling-off period?

You have 30 days from the Commencement Date to ensure you are satisfied with your Policy, and decide whether to keep it. This is the cooling-off period. Policies may be cancelled within this 30-day period provided a claim has not been made under the Policy.

Please send your Policy Schedule to Ozicare Life Insurance, PO Box 342, Toowong QLD 4066 with a written request for cancellation within the 30-day period. When Customer Services receives your letter and Policy Schedule, the Policy will be cancelled, and any premiums you may have paid will be refunded.

## 2. Is there Inflation Protection?

To help your level of insurance keep up with the cost of living, Ozicare Life Insurance (including Ozicare Life Cover, Ozicare TPD Cover, Ozicare Trauma or Trauma Plus Cover, and Ozicare Children's Cover) and Ozicare Accidental Death Insurance Benefit Amounts are automatically increased by the change in CPI or 5% (whichever is the greater) on each Policy Anniversary.

Automatic increases will continue even where the maximum Benefit Amount is met or exceeded.

An updated Policy Schedule will be sent to you 30 days prior to your Policy Anniversary during each year the Policy remains in force. It will include the updated Benefit Amount and premium. You can decline the automatic Benefit Amount increase by writing to Ozicare Life Insurance, PO Box 342, Toowong QLD 4066. If you decline the automatic Benefit Amount increase, this will apply to all optional benefits of your Ozicare Life Insurance policy (including Ozicare Life Cover, Ozicare TPD Cover, Ozicare Trauma or Trauma Plus Cover, and Ozicare Children's Cover) and your Ozicare Accidental Death Insurance Policy.

The automatic increases to your Ozicare Life Cover Benefit Amount will end on the Policy Anniversary after the Life Insured reaches age 75. The automatic increases to your Ozicare TPD Cover, Ozicare Trauma or Trauma Plus Cover, and Ozicare Children's Cover continue until the benefit expires.

## 3. What should I know about premium changes, payments, and deductions?

We may change the premium rates applying to your Policy, but only if we change the premium rate applying to all (or the same group of) Ozicare Life Insurance or Ozicare Accidental Death Insurance Policyowners. We will send written notice of any change to you (to your last address notified to us) at least 30 days before the date the change affects you.

**Payment Frequency:** Your first premium deduction will occur on the First Premium Date shown in your Policy Schedule. Your premiums will then be deducted, fortnightly, monthly or annually from the First Premium Date depending on the frequency you choose. You may only apply to change your payment frequency after receiving the next anniversary notice for your Policy.

**Payment Method:** Payments can be made by automatic direct debit from your bank, credit union, or building society account or by credit card. You may apply at any time by phone to change the method of premium payment.

Any modifications in the terms and conditions relating to the change are subject to approval and written confirmation by us.

## 5. How do I make a claim?

If the Policy and the Ozicare Life Insurance or Ozicare Accidental Death Insurance for the benefit is in force when an insured event occurs, you (or your legal representative on your death) can claim under your Policy by contacting **1800 421 034**, emailing [life.claims@ozicare.com.au](mailto:life.claims@ozicare.com.au) or writing to Ozicare Life Insurance, PO Box 342, Toowong QLD 4066. We will send you a Claims Booklet for you to complete, sign, and return to us. Additionally, we may require your treating Medical Practitioner to complete a form at your (or your estate's) expense.

Claims should be made as soon as possible after the event leading to the claim. If we are not notified within a reasonable period of time after the event leading to the claim, and we are disadvantaged by the delay, we may be able to reduce the amount we would otherwise pay, or we may be able to refuse to pay the claim.

## 6. What proof is required to make a claim?

Your Policy and Policy Schedule will be required. For a death claim we must also receive proof of death (e.g. death certificate), provided at your estate's expense and any other documentation we require to our satisfaction, that the insured event has occurred before a death claim is payable.

For claims other than a death claim, we will require:

- documentation by one or more appropriate Medical Practitioners; and
- all relevant information, including any test, examination, or laboratory results, must be provided to us.

We may be entitled to refuse benefit payment under this Policy if we do not have evidence to our satisfaction of the Life Insured's or Insured Child's (as applicable) death, the cause of the Life Insured's or Insured Child's (as applicable) death, or of the applicable insured event.

We reserve the right to require the Life Insured or Insured Child (as applicable) to undergo, at our expense, examinations or other reasonable tests (including, where necessary, a post-mortem examination) to confirm the occurrence of an insured event. Additionally, we may conduct investigations to assess the validity of the claim. This could involve the use of investigation agents and surveillance, legal advisers, and the collection of personal data.

## 7. Who receives the insurance benefit payment?

Unless a valid nomination (explained below) applies:

- we make all benefit payments to you, the Policyowner; or
- if the Policyowner dies, the Benefit Amount will be paid to their legal personal representative, or other person that we are permitted to pay under the Life Insurance Act 1995.

All Benefit Amounts paid in connection with your Policy will be made in Australian currency.

### Nominations

As the Policyowner, you can nominate beneficiaries to receive payment of the Ozicare Life Cover Benefit Amount or Ozicare Accidental Death Insurance Benefit Amount on your death. Nominations can be made over the phone when purchasing Ozicare Life Cover or Ozicare Accidental Death Insurance.

Likewise, beneficiary nominations can be updated at any time by contacting Customer Services on **1800 421 034**.

### Conditions of Nominations

The following conditions regarding nominations apply:

- if a nominee is a minor when payment is made, the payment will be made to the minor's legal guardian or trust for the benefit of the minor; and
- if a nominee pre-deceases the Policyowner, that nominee's share is payable to the Policyowner's legal representative, or other person that we are permitted to pay under the Life Insurance Act 1995.

The payment of a Benefit Amount in accordance with the above in respect of a Life Insured is full and final discharge of our liability under the Policy for that Benefit Amount.

### **8. Can my Policy be forfeited or cancelled?**

If you don't pay your premium when it is due and it remains unpaid for more than 28 days after it was due or for more than 28 days from when we give you notice, whichever is greater, your Policy could be cancelled.

You can cancel your Policy by writing to Ozicare Life Insurance, PO Box 342, Toowong QLD 4066, and giving 30 days notice.

## 13. What happens if features or benefits are added to my insurance?

We will automatically upgrade your Ozicare Life Insurance and/or Ozicare Accidental Death Insurance should we add better features or benefits to your Policy that don't increase your premium. These features and benefits will be automatically made available to you, but you are not obliged to accept them. However, should you claim upon any of these features or benefits, you will be bound by the definitions, terms and conditions, exclusions, and claims procedures highlighted throughout the PDS which contains the features and benefits of which you are claiming.

## Definitions

Certain words in this PDS begin with a capital letter, such as Benefit Amount. The meaning of these words can be found below.

**Accidental Death** means death where the death is directly and solely caused by accidental, violent, external, and visible means without any other contributing causes and where the death is not self-inflicted.

**Angioplasty** (triple vessel) means the actual undergoing of either:

- balloon angioplasty;
- insertion of a stent;
- atherectomy; or
- laser therapy

to correct a narrowing or blockage of coronary arteries within the same procedure. Angiographic evidence, indicating obstruction of the coronary arteries is required to confirm the need for this procedure.

The procedure must be considered necessary by a cardiologist to correct or treat coronary artery disease. An Ozicare Trauma Cover or Ozicare Trauma Plus Cover (as applicable) Benefit Amount will only be payable where three or more coronary arteries are obstructed and corrected with the use of angioplasty, atherectomy, laser therapy, or stents.
